SEVILLE CITY TOUR

Seville, the capital of Andalusia province, founded by the romans, on the banks of Guadalquivir River, is a cosmopolitan city, full of history. Panoramic sightseeing tour, passing by the most important monuments: bullring, Tower of Gold, Maria Luisa Park, American and Spanish squares. Free time for lunch, shopping or visit the Royal Alcazar Palaces and the 15th century Santa Maria Church, the largest gothic cathedral in the world. In the afternoon, return to the Algarve.
